11th Edition

Annual events are an excellent way to engage with employees and at Autumnwood, employee happiness is all that matters to us.

This year, we hosted our annual event from 29th April – 1st May in La Vaiencia Beach Resort, Goa and it all began with a blast.

This annual event was not just about a corporate meet, but it was more about enjoyment, knowledge sharing, togetherness and loads of fun through cultural, business and sports events. It was an event vibe combined with a leisure holiday, where there was a lot of networking, games, entertainment and relaxation.

We thank everyone for their great participation and look forward to hosting another event soon with the entire Autumnwood family.
